I would be interested in presenting at The NHHTC Forum –
at the earliest: _____
at the latest: _____

Why does the company wish to present at The NHHTC Forum?

What would you like to accomplish by this presentation?

How would you measure success?

Is your primary interest in using the Forum for raising capital or do you have a specific area or problem you wish to address? Please describe what area or problem you would like the panel to address.

Please attach a copy of the company's executive summary and, if the following information is not in the summary, please include the following:

- What is the product or service your company offers?
- What is the current stage of development?
- How has the company been capitalized to date and what are your capital requirements going forward?
- When was the business founded, by whom, and where?
- Who will be (are) the company's customers and why will (do) they buy from the company?
- What is proprietary about the company's product or services and what is your competitive advantage?
- What are the company's current YTD revenues, gross margins and net income/(loss)? What were the results for last year? What is your plan for the rest of the year?

We require a business plan to share with the panel a minimum of two weeks in advance of the event. Do you have one prepared at this time or does it need to be completed? Do you need assistance preparing or reviewing your business plan?

You will have 15 minutes to make a presentation. Most presenters prepare a PowerPoint presentation. You must provide a copy of your presentation a minimum of one week before the event and may be asked to do a trial run with some members of the committee. If you would like assistance preparing for the presentation a speech consultant may be provided at no charge to assist you with the presentation.
